

# Mission and History

**Mission** *Our Mission: The Junior League of Minneapolis is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable. The Junior League of Minneapolis reaches out to women of all races, religions and national origins who demonstrate an interest in and commitment to voluntarism.*

**History** Established in 1923, the JLM continues to develop projects to fill needs within the Minneapolis community. Past projects include helping to found the Greater Minneapolis Crisis Nursery, Free Arts Minnesota and the Jeremiah Program. Current projects address issues from hunger to nutrition to literacy. The Junior League of Minneapolis reaches out to women of all races, religions and national origins who demonstrate an interest in and commitment to voluntarism. Currently, the JLM has over 800 members and in the 2010-11 League year, approximately 39,000 hours were volunteered!

The training that the women of the Junior League of Minneapolis receive sets the organization apart from other nonprofit organizations. Our training is both formal and experiential. As trained volunteers, members have a broad impact throughout the community as nonprofit leaders both within and outside of the Junior League. In this way, training is one of the Leagues largest contributions to the Twin Cities community.

*The JLM provides valuable training in all aspects of volunteering. I made many wonderful friends and became quite involved in other organizations and I need to give credit to the JLM for preparing me for the work that I do now.*

*— Carolyn Dahl,  
Sustainer*

## Fundraisers

**The American Girl Fashion Show** incorporates American Girl's historical and contemporary clothing and lifestyle products for girls ages seven to twelve, as well as outfits for younger girls from its Bitty Baby line. The Junior League was proud to celebrate the tenth year of this wonderful fundraiser. Blending learning with entertainment, the American Girl Fashion Show offers a unique, memorable experience for girls and their families. This year was yet another fantastic event which attracted more than 1,000 people to six shows held over three days and generated revenue of over \$68,000 for the League!

The JLM's One Night Fundraiser, **Duets**, An Evening of Perfect Pairings, exceeded expectations in every way. A sold-out crowd relished the opportunity to try delicious food paired with spot-on drinks from some of the Twin Cities' top restaurants and breweries. In attendance was James Beard award-winning chef Tim McKee, local food critic and media personality Sue Zelickson and a cast of talented chefs from local restaurants. The evening included a silent auction and live auction where the League generated revenue of over \$90,000!

The JLM hosts many **Special Events** and 2010-11 was no exception, including: holiday entertaining and decorating with Pottery Barn, Breakfast with Santa, the Crush Party and Boots & Bling. These events were huge successes for our Special Events team and generated revenue of \$15,000!

**The Shop, Save, Share Card** had an extremely successful year in its first year as a standalone fundraiser! Focused marketing and visibility has helped the Shop, Save, Share Card become a memorable event with potential to be a large and sustainable fundraiser for the JLM. A total revenue of \$7,700 almost doubled the previous year's success!

The **Annual Fund**, along with Gifts & Grants and Corporate Sponsorship, generated revenue of \$113,200. We are so thankful to all those who donate.

# Community Impact

More than 1 out of 6 children lives in a food-insecure household in the U.S. A food-insecure household means family members don't know where their next meal is coming from. Children without enough food experience developmental delays and low academic performance. **Backpack Buddies** aims to reduce those effects by providing nutritious, easy-to-prepare food over the weekend to students who qualify for the free or reduced-cost lunch program at school during the week. In its second year, the program expanded its partnership with Andersen Open Elementary (where approximately 98% of students qualify for free or reduced-cost lunch) by continuing to feed the original first graders (now in second grade) and adding incoming first graders. This program supported 180 children each week. JLM volunteers packed more than 6,000 backpacks with over 37,000 pounds of food over the course of the year. And, thanks to being a partner of Second Harvest Heartland, the JLM was able to feed each child for less than \$3 per weekend.

The goal of the JLM's **Between the Lines** project is to strengthen the bond between mothers and children who are separated through incarceration, while at the same time fostering a love of reading.

In its second year, Between the Lines continued to work with women at the Minnesota Correctional Facility-Shakopee. Graduates from a parenting class taught by nonprofit Parenting with Purpose met with JLM volunteers. These women are given the opportunity to choose books for their child or children and are recorded reading that book. The recordings are transferred to a CD-format and mailed to the child along with a new, gift-wrapped book and a note from his/her mother. These children are then able to hear their mothers' voices at any time. As an added benefit, listening to the recordings while following along in the books is a great way to encourage reading skills. In 2010-11, Between the Lines helped 80 mothers connect with 175 children.

## Scholarship

"Winston Wallin and Junior League of Minneapolis Sustainer Maxine Wallin started a scholarship program in 1992 which has flourished into the private operating foundation Wallin Education Partners," recounts Rebecca Wallin, spokesperson for Wallin Education Partners. The Junior League of Minneapolis has been a donor partner of the Wallin Education Partners organization since 2002 and sponsors the \$2,000 Wallin scholarship called the Wallin Scholarship awarded annually to a female high school senior selected on the basis of academic qualities and community involvement. The winner for 2010-11 was Nermine Abdelwahab, a graduate of Southwest High School. Nermine headed to Carleton College and looks forward to pursuing a career in the medical field.

**Helping Hands** brings diverse volunteer opportunities for JLM members to make a meaningful impact in the community through done-in-a-day events. Volunteer projects in 2010-11 included building furniture, cooking meals with kids, assisting with set construction for a local youth theater, preparing and serving meals for families, collecting children's books and reading with students. Helping Hands offers a unique way for members to stay connected with previous JLM projects while also exploring new relationships in the community. Key partnerships included: Second Harvest Heartland, Greater Minneapolis Crisis Nursery, Free Arts, Bridging, Youth Performance Company, Girl Scouts, Loaves and Fishes, Arc's Value Village and Read Indeed, among others. In addition, Helping Hands was responsible for creating the JLM's Impact Days, a series of large-scale volunteer events in celebration of National Volunteer Week.

Did you know that more than 16% of children aged 16-19 are overweight? The goal of **Kids in the Kitchen** is to help decrease that number by helping children make healthy lifestyle choices. This project, supported by the Association of Junior

Leagues International, does just that by getting children involved in the preparation of healthy meals with hands-on learning and by providing take-home educational material about nutrition and healthy choices. This year, the JLM partnered with the Boys & Girls Clubs as well as Andersen Open Elementary for multiple events reaching about 180 children. The project also held a large-scale event, SPRINT, at local ALDI grocery stores. The event shared healthy food samples and nutritional information with more than 400 adults and children.

The **LeagueAires** is the JLM's longest-running community service, marking its 45th year of service in 2010-11. The group consists of more than 60 women trained by the MacPhail Center for Music, who performed at more than 40 locations. They brought the joy of music to an array of audience, including inner-city children, developmentally challenged youth and adults and nursing home residents.

			Cash- End of the fiscal year	\$332,509	\$262,399

# Leadership

The Junior League of Minneapolis thrives because women give their time and talent to a mission they believe in: developing the potential of women, promoting voluntarism and improving our community through the effective action and leadership of trained volunteers. 2010-11 was a banner year for our League in connecting with this mission. Our over 800 members joined together to create success beyond expectations:

- Welcomed 179 New Members, the largest group in the history of the JLM. Over 80% of these women joined because they heard about how great the Junior League is from a friend, co-worker or family member.
- Launched a magazine, *GIVE*.
- Surpassed fundraising goals by a healthy margin, a wonderful accomplishment especially with the launch of our Duets gala featuring top restaurants and our newly-minted Donor Relations Committee.
- Improved and expanded existing projects and services to better meet the needs of our community, including Backpack Buddies, a program to prevent hunger for elementary school children, and our Kids in the Kitchen program which aims to reduce childhood obesity. In our economic climate, it speaks volumes about the JLM that we are able to meet the increasing demands from our community through our projects and services.
- Received the prestigious Association of Junior Leagues International's Leadership Development Award and \$10,000 for our very popular and highly effective membership training program, Leadership & Lattes.

Our corporate and individual sponsors are the engines that allow our amazing momentum to continue. I encourage you to explore our website at [www.jlminneapolis.org](http://www.jlminneapolis.org) to learn how we touch the lives of people in the Twin Cities, develop leaders in our community and how you can be a part of our mission.

Thank you for your continued support of the Junior League of Minneapolis!

With gratitude,

A handwritten signature in cursive script that reads "Sarah Borchers".
